Triumph's clothing collection makes the perfect gift this Christmas

Triumph Motorcycles' latest Autumn/Winter clothing range offers the ideal Christmas gift for those looking for something a little different this year. Inspired by Triumph's heritage, the new collection boasts a great range of T-shirts that will appeal to motorbike fans and high street shoppers alike.

The exclusive range is only available from Triumph's authorised dealer network across the UK, with affordable prices ranging from £25 to £65. With a variety of styles and designs for men and women, the collection holds plenty of choice for those looking for a distinctive gift this Christmas.

Among the most popular garments are those paying homage to the icons associated with the British motorcycle brand, such as Steve McQueen and James Dean. Other prominent pieces celebrate designs, people or events from Triumph's rich history.

For those looking for the ideal stocking filler, Triumph's accessories range includes a range of Triumph motorbike models, mugs, belts/buckles – sporting the distinctive logo – and even a cuddly Triumph Teddy!

The new collection features garments and accessories that are suitable for the whole family this Christmas. The range is now available from Triumph's authorised dealer network.
